Neighborly Advice

Freely Given by a Norway Citizen.

When one has suffered tortures from a bad back and found relief from the aches and pains, that person's advice is of untold value to friends and neighbors. The following neighborly advice comes from a Norway resident.

M. W. Sampson, Prop. boat transportation business, 19 Bridge St., Norway, says: "A cold settled on my kidneys and brought on attacks of backache. I was lame and unable to move any way, the pain in my back was so severe. My kidneys didn't act right and I had dizzy spells. A friend who had used Doan's Kidney Pills with good results, advised me to try them, so I went to Stone's Drug Store and got three boxes. After I had finished taking them, the trouble left and I have been free from kidney disorder since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sampson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Cuts Better Lasts Longer

You will appreciate the John Deere Mower the moment you see it in action. You will notice particularly its simplicity, its great cutting power and the ease with which it is handled. These advantages, combined with the extra years of service it gives, makes the John Deere a mighty profitable mower investment.

JOHN DEERE MOWER The Mower with the Balanced Gears

The driving gears on the John Deere are balanced—one set offsets the thrust of the other set. This eliminates side wear and strain. This mower transmits maximum power to the high grade carefully-fitted knife—that's why the John Deere does a better job of cutting and pulls lighter.

Another feature—if after years of use, lag develops in the cutter bar, this can be taken out—the bar is aligned by a simple eccentric adjustment. The John Deere handles easily. The bar can be raised high with the foot lever to pass over ordinary obstructions. With

the hand lever an extremely high lift can be secured quickly and easily.

It's no job to keep the John Deere in good running order. All parts are easily replaced; adjustments easily made—its simplicity is a real feature.

Be sure to see this mower before you buy.
It's the best mower we have ever seen.

Also, John Deere Hay Loaders, Side Delivery Rakes and Haying Machinery of all kinds.

All our implements were bought at the lowest prices that Farm Machinery has touched in five years and we are making our prices accordingly.

More Royal Clinchers for 1923

United States Tires are Good Tires

THE U. S. Tire people took plenty of time in developing the Royal Clincher Cord.

When it was finally placed on sale there were no mistakes in it.

Last year we couldn't make Royal Clinchers fast enough.

Production for 1923 has been more than doubled.

But whenever and wherever you can get a Royal Clincher—take it.

MRS. LINDQUIST TELLS WOMEN OF MIDDLE AGE

What Lydia E. Pinkham's Vegetable Compound Did for Her

Kansas City, Mo.—"I was left in a very serious condition after childbirth and no one thought I could ever be any better. Then came the 'Change of Life' and I was not prepared for what I had to suffer. I had to go to bed at times as I could not even stoop down to pick anything from the floor. I did not suffer any pain, but I was decidedly nervous and could not sleep. For nearly two years I was this way, and the doctor was frank enough to tell me that he could do no more for me. Shortly after this I happened to see in a newspaper an advertisement of Lydia E. Pinkham's Vegetable Compound. In a few days the medicine was in the house and I had begun its use and I took it regularly until I was well. I recommend the Vegetable Compound to others when I have the opportunity."—Mrs. MAY LINDQUIST, 2314 Independence Ave., Kansas City, Mo.

A VICTORY FOR AMERICAN MOTORISTS

The Crude Rubber Monopoly weakened when it came into contact with aroused public sentiment. The press of the country today reflects the determination of the American motorists that tire prices shall stay at a reasonable level—and that America must produce its own rubber.

Firestone

CUT TIRE PRICES
10 PER CENT
EFFECTIVE JUNE 11

We announce a 10 per cent reduction in tires and tubes effective June 11. The lowered cost of crude rubber and the special Firestone manufacturing and distribution advantages make this possible.

Firestone factories are organized on a basis of large volume and effective production. Costs are down but quality is at its peak. Stockholder workmen are daily building many thousands of Firestone Dipped Cords—the best Firestone ever produced and, we believe, the leader on the market today.

Firestone Cords took the first four places and eight of the ten money positions in the Indianapolis Sweepstakes, May 30, without a single tire failure.

Firestone Gum-Dipped Cords have set new standards in mileage, traction, comfort and safety. Car owners have expressed their approval of the extra value in Firestone Gum-Dipped Cords by increasing their purchases 194 per cent in the past six months.

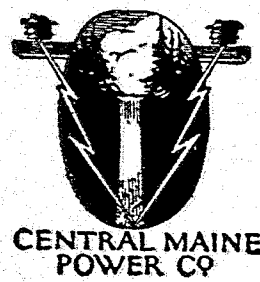

We have replaced many expensive branches with warehouses. We have today 108 distributing points which are delivering Firestone tires to the consumer at the lowest cost in our history.

Follow the tide of economical tire buying—equip with Firestone Gum-Dipped Cords—and learn what Most Miles per Dollar means to you today.

"Acres of Diamonds" Here in Maine

When you invest your money in an out-of-state power company security you not only help some Southern or Western state to develop power and to prosper at Maine's expense—

But very probably you do not get nearly as good a security as you would if you invested your money right here in Maine.

Compared with Central Maine Power Company 7 per cent. Preferred Stock, as an investment for Maine people, what out-of-state preferred stock is even nearly as good? Is the out-of-state security as safe—and how do you KNOW that it is? Is it tax exempt in Maine? Is the property located where you can inspect it? Has the company paid dividends over a sixth of a century? Has it been in business over a fifth of a century?

Why send your money out of the state, when there are better and safer investments here at home!

Buy our 7 per cent. preferred stock, not only for patriotism, but for safety and profit. The price is \$107.50 a share, the yield 6½ per cent. net.

THE MOON

It should be remembered that the reverse side of the moon's surface has never been seen by mortal eye, that its day and night is equal, in time, to about 29 of our days, that we of the earth, can see some part of its surface brightened most of the time and at certain times in the year, when earthshine illuminates its surface so that by this earthshine it can be continually observed longer than a months time.

There those who would not believe that snow existed upon the moon unless they could form snowballs from it with their own hands.

Most authorities or selenographers believe that little or no atmosphere is apparent upon the moon, yet admit that its surface study has been neglected and seemingly have left this for the amateur or for "visitors" to the observatory to study.

In 1900 and 1901, Prof. W. H. Pickering spent seven months time at Mander-ville, Jamaica, B. W. I. where the seeing was superior and as a result of his researches, he reported the evidences that mild volcanic action, snow, ice, clouds and vegetation existed on certain regions of our neighboring satellite.

After 20 years of study while at the same place, he still maintains, with accumulative evidence, that those conditions are unchanged.

Now, reports coming from so eminent an astronomer, deserves our attention, for while we cannot expect ever to see with our own eyes, if we will have the faith and confidence in a mediator, we may see those things through another.

The scenes of his apparition were especially at a crater called Eratosthenes that is 37 miles in diameter, with its connecting walls or ranges, and the small crater and regions known as The Conon Bradley Snow Fields. Says Mr. Pickering, "the talk of violent volcanic eruptions, of snow storms, blizzards, etc., sweeping across the surface of the moon is all rubbish." Both volcanic activity and snow have been detected, but in the regions affected, they are extremely small and the observations would be difficult if not impossible, at most northern observatories. On this crater was a regularly systematic monthly change, not due to shadows occurring upon the moon. That vegetation must be very different from that found on the earth, all the observations indicate."

Prof. Pickering describes, "the lunar vegetation is not green, it is grey like our sage bush and black like our hickory, almost a purplish black, but by far the greater part of the lunar surface appears to us to be simply a desert waste. The vegetation where found is often associated with minute craterlets, sometimes with rills, and is necessarily very rapid in growth and decline. The duration of the lunar vegetation, while ranging from two to eleven days, averages about a week. In quickness of development some of it vies with our mushrooms and toadstools.

The crop has to be brief in order to ripen at all. Expressing the matter otherwise we may say that the vegetation requires two and a half days to appear, it lasts for only two days, the land rests for three days then produces a second crop, lasting four days more which gradually disappears in the evening shadows. The variable dark areas are believed to be due to lunar vegetation."

"Why some of them should assume the forms of canals or runs is not known. The white areas are believed to be due to deposited snow or low lying clouds or both." Much more detail of the surface can be shown by skilled observers, in drawing, than can be had by photographing.

On the crater Conon as the lunation (moonlight between new moon and new moon) proceeds, a spot recedes toward the rim and broadens out and entirely disappears, leaving the central floor perfectly smooth and free from detail.

We can hardly doubt that this object is simply a cloud. Faint clouds are seen on the face of the cliff east of Bradley and on the summit early in the lunation, they do not become conspicuous until later, then suddenly brighten, doubtless due to the deposit of snow.

Areas are continually varying from night to night and are never exactly the same in two successive months. They can hardly be explained otherwise than due to clouds. "There is a general impression that volcanic activity is quite extinct upon the moon. The activity, it is to be understood consists however in quiet emission of steamjets like those found in our Yellowstone National Park, rather than in Vesuvian explosions. With sufficiently good seeing, it is a common sight to observe some minute white luna summit, which at sunrise was perfectly sharp soon to become quite indistinct in the haze while all the other objects around it are sharp and clearly defined.

Around the central peaks and crater rims we can watch the peater vapor condense into clouds composed of minute particles of ice." Writing of the Bradley snow fields, Prof. Pickering says, "many snow patches and clouds are visible in this region, it is often difficult to distinguish between them, and it is believed that they frequently occur together.

When separate, the clouds are identified as less brilliant, more yellow and cling to the ridges like fog or mist, and do not float freely in the air as with us. Bright line streaks, presumably cracks or fissures emit vapor."

Snow certainly exists there because we can watch certain extremely bright spots gradually diminishing in area and disappear in the sunlight. Finally in closing, we may say that while we do not yet clearly understand the nature of the life that is here described and laid before our eyes upon the moon, yet from that very fact, only adds to the interest that it inspires in our minds. We find here a living world at our very doors, where life in some respects resembles Mars but entirely unlike any thing on our own planet, a world which the astronomical profession in general for the past fifty years has utterly and systematically ignored."

With an electric fan you can enjoy the cool breezes as though you were in the highest peak of the White Mountains. During the hot, sizzling days of summer the electric fan will blow cool, refreshing breezes through your rooms. It will do it all day long for a few cents—no more than it costs to run a single lamp.

At night time—with the mercury around 90—the electric fan will help you forget the heat and give you a good night's rest.

Electric fans are perfect substitutes for Nature's cooling breezes.

We have a number of different sizes and models—for home, office and factory use.

Come in and get your summer's coolness now while our stock is complete.

CASCO

The Baccalaureate sermon for the graduating class of Casco High School was preached by James Hayes, pastor of Casco Union Church Sunday June 10 at 9 o'clock. The high school pupils, the principal, Russell D. Baker, attended in a body. Congregational singing constituted the music. Many relatives and friends were in attendance.

Mrs. Johnson of Portland spent the week end with Mrs. Charles Durgin of Quaker Ridge.

Alonso Mayberry of Mayberry Hill is visiting in Boston and Portland.

Mr. and Mrs. Angus Hawkes and son Robert and Mr. Berry of Portland and Ethel Hawkes of New Brunswick spent Sunday with Mrs. Florence Lombard.

Bertha Tenney who has been teaching school at New Gloucester, has finished her school work for this spring and is now spending her vacation with her parents, Mr. and Mrs. Fred Tenney.

Mrs. Frederick Archer of New Bedford is visiting Mrs. J. B. Archer of Mayberry Hill.

Harry Blaisdell of Winchester, Mass. is spending the summer with Mr. and Mrs. Chas. Whitney.

The building of the Roosevelt Highway on which the bridge between Casco and Naples over Crooked River, is to be constructed has been begun. They are working now above and below the Henry Watkins place. This means much to Casco people.

The entertainment at Cook's Mills school house Saturday evening, June 9, consisting of dialogues, recitations songs and tableaux resulted in a very pleasing and successful affair. Ice cream, cake, candy and lemonade were sold for the benefit of the school. A social followed the entertainment.

Mr. and Mrs. Charley Curren of Bangor spent Saturday and Sunday at the home of Mrs. Curren's mother, Mrs. Florence Lombard.

High School Graduation. Class night for the Casco High School graduating class was held at Casco Grange Hall Wednesday evening, June 13. The commencement exercises held Thursday P. M. June 14 at 2 o'clock. Following is the program:

EAST WATERFORD

Mr. and Mrs. G. L. Hilton, Miss Bumpus and Earl Millett motored to Bridgton Sunday, to see Mr. Hilton's aged aunt and cousin.

Mr. and Mrs. Hugh Foster spent Sunday with his friends in Buckfield. Two of his nieces came with them for a visit. Nathan Pinkham of Bolster's Mills visited his son, R. E. Pinkham, Monday.

Conant's Mill Burned

Our quiet village was disturbed by the call over the telephone for help to fight fire Sunday about 12 o'clock, caused by the burning of the portable mill owned by Clarence Conant of Lewiston. Mr. Conant was saving out the timber cut last winter by W. H. Chadbourne of Auburn. Some thirty or forty responded to the call but the mill was burned to the ground and much of the machinery was ruined but by prompt action and plenty of water the lumber was saved. Had it not been for the heavy rain of the past week much damage would have been done as the mill was near a large timber lot and with the wind blowing a gale a serious conflagration would have been started. We understand Mr. Conant will rebuild the mill.

The new tea room run by Holden Sawin and Ernest Wentworth, near the iron bridge was opened to the public Sunday with a good patronage.

Mrs. Ellen Green of Lovell is visiting her daughter, Mrs. F. H. Johnson.

Several of our Norway High School girls are having the measles. Ora Gammon has been very sick with them as her sister's, Mrs. Violet Buck's at Hebron, and Clara Hall is having them but not as hard.

Burnham Rice and Henry McAllister are boarding at W. V. Kneeland's for a short time.

Mrs. Grace Hilton spent the afternoon with Mrs. Jennie Stevens, Tuesday.

Mr. and Mrs. Merton Hobson and daughter Leah and Geo. Hobson of North Waterford were at W. V. Kneeland's Sunday.

Ida Bumpus recently saw a large deer cross the road near the house. They seem quite tame realizing it is close time we guess.

Mrs. Clayton McIntire and children visited her sister, Mrs. Elma Fisk at Locke's Mills from Thursday till Sunday.

NORTH WATERFORD

Mr. and Mrs. Harry Brown and sons, Earl and Raynor went to Portland Thursday to meet his son, Lawrence, who has been attending school away. They all returned Friday.

Mrs. Bertha Young and daughter Constance of Norway have been guests of her mother, Mrs. Edna Sessions.

Winfield Brown drove to Massachusetts Thursday after his wife and grandmother, who have been visiting there a few weeks.

Carroll Lewis has been boarding with his sister, Mrs. Lester Allen and working on the road.

Mrs. Sidney Hatch, who was very sick the first of the week, is now dressed; her son Raymond is on the gain.

Evelyn Morse is working for her cousin, Annie Hazelton.

Sadie Rowe is spending her vacation with her cousin, Mrs. S. L. Lebroke.

Mrs. Alfretha Abbott of South Waterford, who has been a guest of her sister, Mrs. E. J. Paige a few days went home Monday; while there they visited their mothers, Sam and David Lebroke and families and also Annie Hazelton.

Wallace Jones has been visited by his niece, Mrs. Ernest Bean and little daughter Alberta from Bartlett, N. H. a week. Sunday Mr. and Mrs. Walter Lord took their car, and Mr. and Mrs. Wallace Jones and three children took Mrs. Bean to her home.

Wallace Jones' cattle got out of the pasture Sunday while they were away and a yearling heifer is missing. They have hunted all around but fail to find her.

Fred Hazelton is taking a vacation from the pool mill, Lester Allen is filling his place.

OTISFIELD GORE

Mrs. Berry has sold her farm to Joe Miliken of Norway.

Walter Annis and family of Auburn were recent guests at his brother's S. M. Annis.

L. W. Gould was at the farm, Sunday.

As J. P. Whitman and Mrs. Ella Millett of Oxford arrived at J. W. Brackett's Sunday. The horse became frightened, demolishing the wagon and ran until he was stopped by Everett York.

William Whitman has returned to his work at Portland.

Norman and Doris Annis have been sick with the measles.

Roscoe Hill's family have recovered from the scarlet fever.

Prentiss Fogg purchased two beef cattle of N. W. Green.

Clarence Smith and family of West Paris were in town for the week end.

NORTH NORWAY

There will be another dance at Horace Hussey's, Saturday night, June 16th.

Wallace Jones and family visited at A. D. Kilgore's, recently.

Mrs. E. A. Cox was a guest of her brother, Herbert Hobbs and family of Island Pond, Vt. a few days last week.

Mrs. Ruth Bean and little daughter of Bartlett, N. H., visited at A. D. Kilgore's Saturday and Sunday of last week.

Freda Hobbs, who has been staying with her sister, Mrs. Carlton Cox, for some time, and attending school here, returned to her home in Island Pond, Vt., Monday. Her teacher, Miss Josephine Bessey, went with her for a few days' visit.

Mr. and Mrs. Merton Kilgore and two children and his mother, Mrs. Ralph Kilgore, from Hampton, N. H., were guests at A. D. Kilgore's one night last week. Edwin Austin has purchased a Ford car.

Frank Morse has employment with A. W. Walker & Son, South Paris.

SUMNER

Stanley Pike attended the graduation exercises at Livermore, Friday evening. Elmer Roberts' dog was run over by a auto last week.

Elbridge Lombard and Leland Andrews went to Auburn, Monday. Charlie Abbott and wife of Massachusetts spent the week end here with Mr. Abbott's sisters, Mrs. Carl Abbott and Mrs. W. L. Dyer and families.

Vera Dyer has been spending a few weeks with her aunt, Mrs. L. J. Andrews. Alpha Varney and family were week end guests at E. L. Farrar's. John Libby has moved back onto his farm.

Mr. and Mrs. C. N. Ball were in Norway last week on business.

NORWAY AND VICINITY

Tri-County League Schedule

Directors of the baseball associations
at Dixfield, Livermore Falls, Farmington
and Twin Towns have arranged a
schedule of games for the league. Open
dates have been left, each team to book
outside clubs as they may wish. The
following is the authentic schedule.
Barring a rain or other foreseen troubles,
dates will be played according to this
mutual arrangement. No provisions
have been made as yet for postponed
games but this matter will be settled
later, probably with double headers if
the pitching staffs can stand the strain.
Four teams are booked but the
results will not effect the club's standing
in the league. League will open at Dix-
field and Farmington, June 27 and close
at Norway August 30, with the follow-
ing schedule:

JUNE
27—Twin Town at Dixfield.
Livermore at Farmington.
28—Farmington at Norway.
29—Dixfield at Livermore.
JULY
6—Twin Town at Livermore.
11—Livermore at Dixfield.
12—Dixfield at Farmington.
13—Dixfield at Livermore.
14—Dixfield at Farmington.
15—Twin Town at Dixfield.
16—Livermore at Dixfield.
17—Farmington at Livermore.
18—Dixfield at Farmington.
19—Livermore at Norway.
20—Farmington at Dixfield.
21—Dixfield at Livermore.
22—Dixfield at Farmington.
23—Farmington at Norway.
24—Tournament at Livermore.

AUGUST
1—Twin Town Farmington.
Livermore at Dixfield.
2—Dixfield at Norway.
3—Farmington at Livermore.
4—Tourney at Farmington.
5—Farmington at Dixfield.
6—Livermore at Norway.
15—Livermore at Farmington.

TWIN TOWN AT DIXFIELD
16—Tourney at Norway.
17—Dixfield at Livermore.
20—Dixfield at Farmington.
21—Twin Town at Livermore.
22—Livermore at Dixfield.
23—Twin Town at Farmington.
24—Tourney at Dixfield.
27—Farmington at Dixfield.
28—Farmington at Livermore.
29—Twin Town at Dixfield.
30—Livermore at Norway.

How It Effects Twin Towns
Under this arrangement the only home
league games will take place on Thurs-
day with the team on the move during
the week except Saturday when outside
clubs will appear on the fair grounds
against the Twins.

Farmington will play here on June 28,
July 26 and August 23.
Dixfield will appear July 12 and Aug-
ust 2.

Livermore Falls can be seen on July
19, August 9 and August 30.
All league teams may be seen in action
here on August 16 when the tournament
will be staged.

Independent Baseball
Twin Towns will start the ball rolling
at the fair grounds Saturday, June 23
with the Knights of Columbus club of
Portland. On that date it is expected
the regular home line-up for the summer
will be in position under Manager Billy
White.

Secretary H. Walter Brown after
lengthy correspondence has a line of fast
stiff pending with a tentative schedule
as follows:

JUNE
26—Star Taxis at Lewiston.
27—Westbrook or Oxford Athletic Association
at Norway.

JULY
4—American Legion Field Day, fair grounds.
Two games, one or two noted teams to
appear against the Twin Towns.
5—Star Taxis offered date at Norway.
7—Star Taxis at Lewiston.
14—Augusta Millionaires offered date at Nor-
way.

AUGUST
4—Augusta at Norway.
11—Sanford Textiles at Twin Towns.
18—Hope to land Ansonia Council K. of C. at
Twin Towns.
25—Augusta Millionaires at Twin Towns.

If negotiations now underway mature
right, fans in the section may have the
pleasure of seeing the "Philadelphia
Giants," a team of colored players, not
only star ball tossers but a company of
comedians sure to upset the side lines.
The noted Lizzie Murphy team, featur-
ing the only woman star first sacker in
the country is seriously considered with
dates pending. Other teams about
ready to be signed are the Easterns of
Brewer; the Bar Harbors and the P. C.
F. of Oldtown.

Fish this bunch of fine material at
hand will be up to the fans to make
good and swell the attendance. Wall
supported by the citizens of South Paris
Norway and surrounding country the
Twin Towns Athletic Association will
flourish and give the best service possi-
ble. If enthusiasm wanes, due to a list-
less attitude of indifference, a curtailed
schedule for independent games will fol-
low, but with pep and boost the Assoc-
iation will stage the best summer sport
ever attempted in this vicinity.

Four Generations Helped
to better health by this time-tested laxativeDr. True's Elixir
The True Family Laxative

For over 72 years this pleasant and effective laxative has given proper relief to thousands of men, women and children who have suffered from constipation, deranged stomach, and other troublesome complaints brought on by disordered, sluggish bowels.

For good health—to be free from headaches, bad tasting mouth, all-gone feeling in stomach, dizzy spells, constipation, the bowels must be kept tuned up. Nature can be assisted by using Dr. True's Elixir, the True Family Laxative and Worm Expeller.

Safeguard your own health. Look after the children who may show signs of worms and should be rid of them the easiest, safest way—by taking Dr. True's Elixir.

Your dealer knows of its world-wide reputation, gained through four generations of public health service. Made from imported herbs of strictly pure quality.

Signs of Worms: Constipation, deranged stomach, swollen upper lip, offensive breath, hard and full stomach with pains, pale face, eyes heavy and dull, short, dry cough, grinding of the teeth, tongue coated and covered with little red points, starting during sleep with troublesome dreams, slow fever. Mrs. Henry Johnson, 820 Hayward Ave., Baltimore, says: "I have bought Dr. True's Elixir for over ten years and know it is good."

Mrs. H. N. Roberts, 501 Asylum St., Flint, Mich., says: "My little girl is relieved of her worms." And in a later letter wrote: "Baby is fine and it was your medicine, Dr. True's Elixir, that helped her."

Don't experiment—buy Dr. True's Elixir, the True Family Laxative and Worm Expeller. For the whole family, either child or grandparent. 40c, 60c, \$1.20.

SOUTH BETHEL

Emma Cross and Warren Brooks received the sad news of the death of their father, Prescott Brooks last week at Pike, N. H.

Harry Isaacson of Norway was in town recently. Mr. and Mrs. Frank Brooks and daughter, Blanche and Charles Mason motored to Dixville Notch, Sunday. Albert Copeland of Bethel was in town Friday.

Ernest Mason has been visiting his brother, Robert Sanborn for a few days. Mr. and Mrs. Charles Schilling of New Gloucester visited Mrs. Schilling's parents, Mr. and Mrs. Vira Bean, Sunday.

Charles Cummings and little nephew, Harlan Hutchins were in town Saturday. Willis Walker was at South Paris, Wednesday.

Prescott Fuller Brooks

The subject of this sketch was the son of Peter and Arville (Cunning) Brooks, was born in Massachusetts, May 31, 1849 and received his education in the public schools, coming to Milton in later years.

He was united in marriage in 1878 to Emma E. Buck the daughter of Mr. and Mrs. John Buck of Paris Hill. To them thirteen children were born to add to their golden treasure, of whom five are living, George E., of Milton, Etta M. Stevens of Bethel, Fannie E. Haynes of West Paris, Warren E. Brooks and Emma E. Cross both of Bethel. Mr. Brooks was an energetic, hard working man, well known as a hustler, ambitious to do all he could do for his family, of which he was very proud, and no task ever seemed too hard or him to accomplish, a kind neighbor ever ready with a helping hand. He will be greatly missed by all who were associated with him.

He has been in failing health for some time, going to James' N. Brooks of Pike, N. H. about a year ago, where everything love and skill could devise, was done for his comfort through the weeks of weary suffering until May 30th his spirit passed on to the land beautiful.

Besides the five children he leaves two brothers, Warren E. Brooks, Pike, N. H., William S. Brooks of Portland; two sisters, Mrs. Albert Ryder of West Paris, Mrs. Vete Swan of Gray, and many other relatives and friends to mourn his untimely death.

The remains were brought down Friday to Bethel to S. S. Greenleaf's undertaking parlor. Services were held at the church at Locke's Mills Saturday where Rev. C. B. Oliver spoke tenderly, words of comfort to the bereaved ones.

When life's pathway has grown too steep, When they faulter 'neath pain's fierce torture, God giveth His children sleep, And they rest from their weary struggle In green pastures by still waters deep; Oh! and hearts' blessed assurance, God giveth His children sleep.

And some morn in God's beautiful country, From which none shall ever roam, All shall wake from the sleep He giveth, And forever be happy at "Home."

NORTH LOVELL

John Stanley of Lawrence, Mass. visited his cousin, Mrs. Jane Hatch, recently. Lillian McKee visited her brother and wife, Mr. and Mrs. Eugene Flint at Fairview, Saturday, June 2.

W. W. Murrin attended the Pomona Grange at North Lovell, Thursday.

Gertrude and Ethel Adams couldn't attend school last week as they were sick with a very bad cold.

Hallie McKee is at Norway, sick with the measles.

Mr. and Mrs. H. B. McKee and daughter Hester attended the wedding of their daughter, Muriel, to Prof. Edward Brown, at Norway, Saturday afternoon.

Edmund Barker has been very sick. Dr. Gregory of Fryeburg was called to see him and he is on the gain.

James Frost and Harry Goodwin of Norway were at Adams' Camps, Sunday, to meet Judge A. P. Stone and friends from Belmont, Mass.

Catarrhal Deafness Cannot
Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness is a constitutional disease. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it becomes swollen and its normal function is lost. It is entirely closed. Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surface of the tube, thus reducing inflammation and restoring normal conditions.

Lightning Enters House

During the thunder shower of June 5,
lightning entered the kitchen of Clyde
Dunham, burning out the telephone,
causing the complete disappearance of
about two feet of wire, the insulation
being spattered over the wall. Plaster
ing was knocked off, several panes of
window glass blown out, some being
thrown across the room and other queer
freaks performed. Luckily no fire was
started as no one was at home at the
time.During the same shower a corner stone
of the school house and several large
rocks in the school yard were chipped.About thirteen Grangers attended a
special meeting at Bryant Pond, Satur-
day evening when the 2nd and 4th
degrees were given a class of fourteen.

Auto Collided With Tree

Albion Abbott had an accident with
his automobile Sunday, June 3 when he
and Mrs. Abbott and Mr. and Mrs.
Clarence Stearns and two little daughters
were returning from camp at Locke's
Mills. The auto was badly broken but
none of the people were seriously hurt.
He lost control while brushing away a
bee that was disturbing one of the child-
ren and ran into a tree.

Royal T. Martin

Mr. and Mrs. Fred Waterhouse, Mrs.
Rawson Herrick and Charles Martin
went to Greenwood Thursday, May 31 to
attend the funeral of Royal Thomas Mar-
tin. It was a sudden sadness to all the
friends and relatives when they learned
of the untimely death by revolver shot
of Mr. Martin on Monday morning
before. The cause is unknown.Mr. Martin was the oldest son of Ly-
man R. and Harriet Herrick Martin and
was 56 years old last November. He
had always lived on the old home farm
where he was born and where all the bro-
thers and sisters and their respective
families had formed the habit of meeting
in annual reunions for a number of years
past and had very happy times.Mr. Martin married Lena Yates who
he leaves also four children. Flora,
wife of Clarence Morey and their six
children of Gorham, N. H., Irving, Lin-
da, Bell and Charles at home. He also
leaves three brothers, Ernest F., Ross L.
and Charles H. and four sisters, Eliza J.
wife of Herbert May, Ellen, wife of
Chas. Felt of Portland, Mrs. Elizabeth
E. Hayes of Portland and Lucinda, wife
of Fred Waterhouse. Another sister,
Angie, wife of the late Deatur Cross of
Locke's Mills, died about three weeks
before.The funeral was attended by Rev. C.
G. Miller of South Paris. Three fa-
miliar musical selections were sung by
Mrs. Lena S. Farnum and Mrs. White of
West Paris. The flowers were very
pretty. Interment in the Greenwood
cemetery which was only a few steps
below the house.Hazel Cole of Gorham, N. H. is visiting
Mrs. S. T. White over W. P. H. S. Com-
mencement exercises.The Pleasant Pond Grange came here
Tuesday, June 5, to play their
dramatic play, "The Face at the Win-
dow." There was a very good house
and the cast well taken.

Death of Casco's Oldest Soldier

One of the oldest volunteers of the
Civil War and one known throughout
this section of the state as "Uncle
Orren," passed away at the home of
Mr. and Mrs. Prastus Files, Webb's Mills,
Saturday, June 2, 1923 at 8:30 o'clock,
having gradually worn away at the age
of 83 years, 2 months and 24 days. He
came home ill from the war in 1862 and
has never been perfectly well but held
his own under a brave strong will and
under the good care of one son and two
daughters and Mr. and Mrs. Files.He was born in North Raymond, the
son of Thomas Spiller of Raymond and
Jane Pride of Cumberland Mills, but has
lived in Casco (once a part of Raymond)
for nearly 70 years. He married Eliza-
beth Small of Webb's Mills in 1860. She
passed away 37 years ago. "Uncle
Orren" was the last member of the
Charles S. Bickmore Post and the silk
flag so beautifully kept has been used
for the last time in Casco and by his re-
quest is to be sent to the Headquarters
of the American Legion, Portland with
all his mementoes and records. His
Post badge was buried with him. Al-
though a little infirm he had been in the
last four Memorial Day exercises at
Bridgton and it was he who has always
ordered the flags and decorated the
graves of soldiers at Webb's Mills and
the near by cemeteries. His whole life
seemed imbued with patriotism and love
of country and this love radiated to his
love of neighbors and humanity in gen-
eral.The funeral was held at the Baptist
Church, Webb's Mills, Monday June 4,
1923 at 2 o'clock, Rev. H. M. Purinton
of Mechanic Falls, also an old soldier
preaching the sermon. The silk flag
covered the casket and the flowers beau-
tiful and numerous were artistically ar-
ranged about it by George Pulsifer of
Portland.Mr. Spiller leaves to mourn their loss
one son, Amos L. Spiller of Westbrook,
and two daughters, Mrs. Joseph Gerry
of Webb's Mills and Mrs. Winifred
Snell of Mechanic Falls; four grand-
sons, Guy, Arthur, Carol and Maurice
Spiller of Westbrook, who acted as pall
bearers; Etta and Lucy Spiller of
Westbrook, Mrs. Meda Hamilton of Wal-
nut Hill and Mrs. Gladys Murrin of
Portland, granddaughters of Mr.
Amos Spiller and Mrs. Fred Ray, adopt-
ed daughter of Mr. and Mrs. Joseph
Gerry and several great grandchildren.Other relatives in attendance were,
Mrs. Clara Hooper of South Portland,
Mr. and Mrs. Alfred Winslow of Gor-
ham, Mrs. Virginia Jordan of Mechanic
Falls, Mrs. Lillian of Westbrook, Mrs.
Pelker of West Poland, Frank Spil-
ler of Otisfield, Harry Spiller and Leroy
Spiller of Norway, Luther Spiller and
wife, Alfred Snell and Benjamin Strout
of Mechanic Falls, Earl Spiller, Albert
Spiller, Mr. and Mrs. Levi Small, Mrs.
F. A. Small, Mrs. Mary Small, Mrs. Mary
Day, Mrs. Arthur Tripp, Mr. and Mrs.
Harvey Pollard, Mrs. John Small, Mr.
and Mrs. James Small of Webb's Mills.
Interred in Webb's Mills Cemetery.

THE STUDEBAKER LIGHT-SIX SEDAN

Where Quality Counts Above
Everything ElseQuality is more important in an en-
closed car than in most any other
product in daily use.Regardless of price, it is not econ-
omy to buy a makeshift job in which
the quality is skimmed and cheapened
at every turn. Paint, imitation leather
and fibre board too often cover serious
structural defects and cotton-and-wool
trimming cloths are short lived. The
chances are that the buyer will more
than pay the difference later—in higher
upkeep cost, frequent repairs and ex-
cessive depreciation.The price of the Light-Six Sedan is
the lowest at which it is possible to
obtain a substantial, high grade hard-
wood and steel body, upholstered in
moirai, in combination with a chassis of
proved dependability and performance.Studebaker's South Bend plants
build more high quality closed bodies
than those of any other automobile
manufacturer and consequently over-
head costs are reduced and the price
to the customer is low.The in-built quality of the Light-Six
Sedan is evident the moment one gets
behind the wheel, and is appreciated
far more after twenty-five or thirty
thousand miles of service.The Light-Six Sedan, with its sturdy
four-door body, its improved L-head
motor, and the excellence of its chassis,
combines distinction of appearance
with a reliability of performance, a
degree of comfort and economy of
operation unknown in any other car
at anywhere near its price.

Works All the Soil

Rigs of the John Deere KC shift parallel—shovels always hold squarely to their work and cut full width of each gang—no spots are skipped—the KC works all the soil and kills the weeds.

John Deere KC Cultivator

Drive into the field, stay on the seat and make every adjustment with handy levers.

A perfect "set" made quickly—Lower the rigs with the master lever. Space them the desired distance with the spread lever—they spread equally at front and back. Secure the desired depth with the depth lever—shovels enter ground level

and continue level as they are lowered.

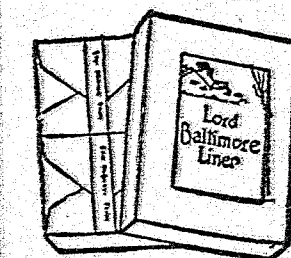

Deeper or shallower adjustment of front or rear shovels can be made with the tilting lever—a big advantage when cultivating up or down slope.

Quick dodge can be made on crooked rows—pressure on the foot lever guides the wheels and shifts the rigs.

Sold by
W. K. CLIFFORD
South Paris, Me.

Your KC is here for you. Come in and see it. Get in to the seat, work the levers and find out for yourself how easily the rigs are controlled for the best of cultivation.

Hiram Keene visited his sister, Mrs. James Heald, Sunday.

Fine School Entertainment

Mrs. Roger Eastman closed a year's work in the village school last Friday, with an entertainment in the afternoon which was a good credit to the teacher and scholars and showed that much work had been done in its preparation. A unique part of the program was furnished by two little Finn brothers, one of them singing a song and the other reciting a selection, each in his native language. The way that these little fellows saluted the day and sang America with the other pupils, showed that they were learning loyalty to the land of their adoption.

Each part of the program was well carried out. Several of the children had never taken part in public exercises before.

Although the afternoon was rainy, there were sixteen visitors, who showed their appreciation of the exercises by hearty applause after each number.

The Grange sale and entertainment last Thursday afternoon and evening was well attended. The play in the evening, "Prof. Baxter's Great Invention" was well acted and enthusiastically received by the large audience. The actors were Mr. and Mrs. Harold Gammon, Mr. and Mrs. Roger Eastman, Augusta Eastman and Horace Cobb.

ESMOND BLANKETS

A large shipment of New Patterns

For bedroom, sleeping porch or camping, there is an Esmond Blanket ideally suited to your purpose. An endless variety of distinctive patterns—made possible by Esmond Jacquard looms.

Every blanket double thick—really a pair woven as one. Hence a deeper, warmer nap and twice the strength of a single blanket—wears longer.

Made of finest cotton, exclusive Cortex finish; easily washed, moth proof. More beautiful than wool and costs much less.

Esmond 2-in-1 Bed Blankets

The ideal bed covering—thick, soft, warm and durable. Exclusive in coloring, enriches any bedroom. Twice the thickness of the ordinary "pair" of blankets. This gives a concentrated warmth and longer wear without extra weight. Easier to handle while laundering and retains its freshness without shrinking.

Esmond Blanket Comfortables

With the vogue of bed comfortables harmonizing with the color scheme of your room, you will be so pleased with the charming designs of the Esmond Blanket Comfortable. Unlike the old fashioned silk-covered comfortable that frays and wears out, you can put an Esmond right in the washtub and all the fine, soft nap and distinctive colorings will be retained like new. It simply defies wear.

More practical and just as attractive as the stuffed comfortable, the Esmond Blanket Comfortable is now preferred in thousands of homes.

Esmond Indian Blankets

Sturdy in their heavy weave, in a riot of bright or richly sombre colorings, Esmond Indian Blankets are ideal for camping, sleeping porches, motor robes or steamer rugs. Woven double thick—strong, durable. Exposure to weather will not fade the colors or weaken the texture.

Esmond Blankets \$4.50, \$4.95, \$5.50, \$5.95

Mr. and Mrs. Cecil J. Gibb from Gardena City, Camaguey Province, Cuba, are soon expected to arrive to spend a part of the summer with Mr. and Mrs. F. L. Cooper at the Bradeen Cottage on Pike Hill. Mr. and Mrs. Gibb spent two weeks in town last year and declare Maine to be a gem.

Of the commercial students who graduated this June, three are working in town: Alice Lewis at Stuart W. Goodwin's insurance office; Janet Noyes at Charles G. Blake's office, and Helen Richardson at the Norway National Bank.

Arthur Gammon is taking the place of Glenn Kelley as scoutmaster for the summer.

The first concert this summer by the Norway-Paris Band was given on the steps of the American Legion Hall, Monday evening before a crowd which packed the sidewalks in the immediate vicinity. Automobiles were parked along Main street and the side avenues with a space kept clear for traffic by Patrolman Barker and motor cop Eugene Stevens. The musical selections were well rendered and greatly appreciated, for the location proved ideal as the band sounded better than under the trees in Wilherrell Park. In the audience were people from West Paris, Waterford, Oxford and from towns at even a longer distance.

Pearl Dobson, aged 14, arrived from Helron Sanatorium, Saturday, to live with her mother, Mrs. John L. Wood, Whitman Street. Miss Dobson has been under treatment at the institution four years and was discharged as cured.

George Devine and family of West Paris motored to the band concert, Monday evening and met many acquaintances while listening to the program.

W. Frank Cox arrived Sunday from Auburn, where he visited his nephew, Claude Cox, and Charles F. Millett, a former resident of Norway. Mr. Cox has been away about ten days with a brief stop in Portland and a more extended visit with his daughter, Mrs. Wealthy Harris, at Somerville, Mass.

Elsie E. Smith of Nassau Institute, Springvale, and Eleanor A. Smith of Bates are at home for the summer vacation with their parents, Mr. and Mrs. Eugene F. Smith. They will pass most of the summer at the cottage, "The Alexander."

C. H. Brush and family of Philadelphia, Pa., arrived the first of the week at their new cottage at the Lake for the summer. The cottage is located above the "Crabapple" and everything League throughout is new.

A. G. Allen and family of Danvers, Mass., are at Bass Island at the Lake for two weeks.

Philip F. Stone and niece, Margaret Morrill and Myron and daughter, Gertrude, went to Winchendon, Mass., Friday and spent the week end with Mr. Paragard's mother, Mrs. Ellen Paragard and sister, Mrs. J. B. Humphrey and family. They made the trip in Mr. Stone's Studebaker.

As reported from the Norway post-office an examination to fill the position of Postmaster at Lovell will be held at Norway on July 14.

Mrs. A. Leon Sikkenga and Young son started Monday for Orlando, Florida, to visit her parents, after a few weeks' absence. She will also make a short visit with an aunt in Washington, D. C. on the way South. They plan to return in three weeks.

Doris Longley, who has been teaching in New York the past year, returned home with them and Nancy Oxnard of West Medford came for a week end visit with relatives.

The Pennessewassee Girls Sewing Club will meet Saturday at 2:30 at the Grange Hall. Work on the third project will be begun.

William Card of North Waterford, formerly of Norway, was in town Tuesday on business. He has opened for the first year Card's Life Saving Station near the center of industry at North Waterford, and is handing across tonics, ice cream and other refreshments to the tourists. His building is 10x12 and arranged especially for quick service. Mrs. Card assists at this tea room and a profitable summer trade is expected.

A prominent citizen says: "Summer visitors are arriving, many are strange. Locating the postoffice is their hardest problem for there is little on the outside to show where Uncle Sam transacts business. A conspicuous sign would avoid bothersome questions."

Lester Richardson is employed at the C. A. Richardson market and carrying along a bit of farming on Elm street. His poultry project is in full swing and he is making it pay.

Jack Burgess and Ben Bicknell lured a few red spots from the South Arm of Richardson Lake early this week. The old fashioned dance Monday evening at The Barn, Sheperd's Camps, was well attended. Col. Melville Dunham and his orchestra, furnished music.

Mr. and Mrs. L. J. Brooks accompanied by their daughter Doris, arrived from Boston, Tuesday. Miss Brooks will spend a vacation here and teach in the fall.

Manager Billy White, Mrs. White, and a squad of Twin Town players arrived Monday night. Introductions were in order Tuesday and practically the entire team will be in their respective positions when the umpire starts the opening game next Saturday afternoon against Portland Council K. of C.
